

How do I find my BackOnTrack Online serial number

- Corel Other

If BackOnTrack Online is installed and functioning correctly on your PC, you can locate your serial number as follows:

1. Double-click on the **BackOnTrack Online Lock** icon in your system tray to open the BackOnTrack Online InfoCenter.
 - Click on the *About* tab.
 - Your serial number is located in the *Registration Information* section of the *About* tab.
