

## No Valid DVD Decoder Found in Windows Media Player

• Corel Other

Cine	nlax	er I	<b>)</b> eco	ders:
CILIC	viay	UL L		ucis.

- Uninstall CinePlayer DVD Decoders.
- Update to the latest version of <u>Directx 9.0b</u>.
- Reinstall CinePlayer DVD Decoders.

Cineplayer bundled with Easy Media Creator 8 or 9:

This error most likely has happened because your installation of Easy Media Creator and the Cineplayer decoders have become corrupted.
