

## **How to turn off Formula Markers in Quattro® Pro**

- WordPerfect Office Suite

How can the blue formula markers be turned off in Quattro® Pro

The formula markers can be disabled by deselecting them in the display settings of the Application Properties. To do this follow the instructions below:

1. Click on the Tools menu and select Settings
  2. Under the display section, uncheck Show Formula Markers NOTE: If you have Quattro® Pro 10 or higher, go into the Application section then click on Display.
  3. Click on OK.
