

Corel VideoStudio Pro X5 Deployment Guides

- VideoStudio

The *Corel VideoStudio Pro X5 Deployment Guide* and its partner guide, *Corel Beginners Guide to Network Deployment*, helps you deploy Corel VideoStudio Pro X5 to your network as quickly and easily as possible. Installation of this software across a network requires the purchase of the network-compliant, license version of VideoStudio Pro X5; retail or trial versions do not support network deployment. Corporate and Education versions of this software are easily purchased through Corel's licensing sales team (licensing@corel.com). Also available in support of this software is Corel's comprehensive training, deployment and professional services offerings.

For more information on licensing Corel software, please contact Corel at licensing@corel.com or visit www.corel.com/licensing.

For information on training, please visit [Training & Support Plans](#).

For deployment support or other technical inquiries, please visit www.corel.com/support or contact your Corel account representative.
