

Comparison of Hollywood FX volumes 1, 2 and 3

- Pinnacle Legacy

[Click Here](#) for a link to the page that details the contents of each Hollywood FX Volume. Once at this page, click on the Features tab and then scroll down to the bottom of the page for the content listing.

Most transition themes contain 16 transitions. Hollywood FX Volume 1 and 2 contain 25 themes each. Hollywood FX Volume 3 contains 20 themes. So, for Hollywood FX Volumes 1 and 2 this can be calculated as $25 \times 16 = 400$ transitions each. For Hollywood FX Volume 3, that would be $20 \times 16 = 320$ transitions.
