

Pinnacle Studio 19: Exported files may be out-of-sync

- Pinnacle Studio

NOTE: This article applies **ONLY** to **Pinnacle Studio 19**

If you are experiencing an issue in Pinnacle Studio 19 where exported files are out of sync, the steps below may resolve the issue:

1. Ensure that your Pinnacle Studio 19 has been patched with the latest 19.5.1 patch.
2. Before running the patch in step 3, you must close Pinnacle Studio 19
3. Click [here](#) to download and run the patch to resolve the Audio-Video sync problem:
