

What versions of Windows does Instant DVD Recorder support?

- Pinnacle Studio
- Windows 7*
- Windows XP Professional Edition
- Windows XP Home Edition
- Windows 2000 Pro with the latest Service Pack installed

Windows 98 and ME are not supported by Instant DVD Recorder

* Instant DVD Recorder is supported under Windows 7 as long as the most current version is installed. The version of Instant DVD Recorder that supports Windows 7 is 2.6.1. You can find the download and installation instructions for this version here: [Instant DVD Recorder 2.6.1](#)

This update also includes the latest hardware drivers which are compatible with Windows 7 (32 and 64 bit).

Note: Not all supported Instant DVD Recorder hardware is compatible with 64 bit versions of Windows Vista and Windows 7. Click the following link to go to the hardware driver download page. If there is no driver listed for the desired hardware in a certain column, it means that the hardware is not supported under that operating system.
