- Dazzle Video Creator Platinum (DVC107) - Windows XP, Vista 32 bit and Vista 64 bit
- and other compatible hardware

Installation Instructions:

- To be able to install this version, you must own an Instant DVDRecorder Version 2.x full version
- If you install this Instant DVD Recorder version as standalone version you have to enter your Instant DVDRecorder Version 2.x serial number, which was included with your Dazzle product, during the installation process. With Windows Vista 64, as previous versions of Instant DVD Recorder could not be installed, you will have to install Instant DVD recorder 2.6.1 as a standalone version.

- If you own an Instant DVDRecorder Version 1.x full version, we recommend you first installing the Instant DVDRecorder 2.0 full version.
- If you use this Instant DVDRecorder Updater to update the Instant DVD Recorder included with Studio Version 12, 11 or 10, please make sure that Instant DVD Recorder is already installed on you system. Please note that the version of Instant DVD Recorder included with Studio Version 12, 11 or 10 can't be installed under Windows Vista 64.
