

Is Instant DVD Recorder compatible with Vista 64

- Corel Other

Yes, with the latest patch Instant DVD Recorder is compatible with Vista 64. **The latest version of Instant DVD Recorder is 2.6.1.**

Not all capture hardware is Vista 64 compatible however. A Vista 64 driver is provided for the following hardware:

- DVC 100
- DVC 101
- DVC 103
- DVC 107

DVC 90, 130, and 170 do not have Vista 64 bit drivers and can only be used with Windows XP and Windows Vista 32.
