

Can not install Disc 2 of Creator 2012 Pro

- Creator NXT

Issue: When trying to install Disc 2 of Creator 2012 Pro, an error message ""Please insert the disc 1" appears, and then the installation rolls back to the beginning.

Cause of Issue: A previous version of Sonicfire Pro 5 is installed.

Resolution: Uninstall Smartsound Sonicfire Pro 5, then try to install Disc 2 of Creator 2012 Pro again.
