

Roxio Game Capture video is stretched or corrupted in preview

- Corel Other

XBOX 360

Select the *NTSC-M* option in TV Standard setting for all resolutions (480p/720p/1080i). This applies if your TV is a PAL (Europe) or NTSC (North America).

PlayStation 3

Select one of the TV Standard options depending on out output of your PlaysStation 3's resolution is set to:

PS3 Resolution	TV Standard
720p/1080i	NTSC-M *
576i/576p	PAL-M/PAL-B
576i/576p	NTSC-M

- Works for PAL and NTSC TV standards.
