

Error while trying to copy a disc with Toast 11

- Toast

When using the Copy function duplicate a disc with a single drive, user would encounter an error message "Could not record the disc because of a Mac OS Error. Result Code = 1634955892."

Resolution:

The box "Use Fit to DVD" option under the Options tab is checked by default in Toast 11. Uncheck the option "Use Fit to DVD" would resolve the issue.
