

Where can I find the Paint Shop Pro Photo X2 User Guide

- PaintShop Pro

The PaintShop Pro Photo X2 User Guide is installed with the program and is available within the program directory.

Specifically it is located at: **C:\Program Files\Corel\Corel Paint Shop Pro Photo X2\Languages\EN** for a default **English** installed version. The file is called ***Corel Paint Shop Pro Photo X2.pdf**.

If you have installed the main program to a different drive or folder location, use the specific install path to get to the main **Corel Paint Shop Pro Photo X2** program directory. Once inside the program directory, open **Languages**, then the specific language folder for your installed language to find the appropriate User Guide file.

The file will always be called **Corel Paint Shop Pro Photo.pdf**

Folder languages are as follows:

DE = German

EN = English

ES = Spanish

FR = French

IE = International English

IT = Italian

NL = Dutch

*The User Guide is an Acrobat .pdf file and requires the free Acrobat reader to view.
