

PaintShop Pro 2021: How to switch Workspaces in PaintShop Pro 2021

- PaintShop Pro

You can switch between the Photography, Essential, Complete and Sea-to-Sky workspace.

To do this click on the Home Button at the top menu. Select the Get Started tab and choose between the Photography, Essential, Complete and Sea-to-Sky workspace.

?

Note: Sea-to-Sky workspace is only available in Ultimate version

Complete Workspace

?

Essential Workspace

?

Photography Workspace

?

Sea-to-Sky Workspace (only available in Ultimate version)

?

You can also switch between the Photography, Essential, Complete and Sea-to-Sky workspace by clicking the File menu > Workspace > and choose the prefer Workspace.
