

Where Is My Serial Number for My Dell Version of WordPerfect 12 or WordPerfect Productivity Pack?

- WordPerfect Office Suite

If you have purchased your product as a download from www.Corel.com or registered your product online, you can find your serial number under "Your Account".

Please note: Corel will replace lost Serial Numbers with proof of original ownership for the current or one previous version. Corel cannot issue serial numbers for software provided with computers or other hardware.

Your serial number is found on a card which is packaged inside the cd sleeve for your WordPerfect Productivity Pack cd. It follows this format:XXXXXXXX-XXXXXXXX-XXX. This is the number you will need to complete your installation or registration.

If you do not have this serial number, you will need to contact Dell Customer Care at 1-800-624-9897. Corel cannot issue serial numbers for software provided with computers or other hardware.
