PDF Fusion Service Pack 1Notes:

This service pack updates the previous releases of Corel PDF Fusion (version 1.0 and version 1.10) to version 1.11. Among the fixes in this service pack:

- Certain files by third-party PDF-creators now open properly in Corel PDF Fusion.
- Comments now display properly in PDF files.
- The Print Setup default has been changed to "Document and comments."
- The PDF Fusion window no longer opens on top when Batch Converter is started.
- Watermarks now display double-byte text.
