

CorelDRAW X7 - Imposition Layout Page Number Will Not Change In The Print Options

- CorelDRAW Standard

Issue:

In the print option, click on the **Edit** button for Imposition Layout. The page number will not change while using the number keys at the top of the keyboard.

Result:

In order for the page number to change, the **Number** pad to the right of the keyboard must be used instead of the numeric keys at the top of the keyboard.
