- VideoStudio

If you are a network administrator or IT professional looking for more information on how to deploy Corel software to your network, you can always consult our Deployment Guides which provide detailed written instructions and procedures.

Please select your licensed Corel product(s) from the list below to download a PDF version of the relevant Deployment Guide.

If you require additional assistance in deploying Corel software to your network, you may also [contact Corel Technical Support](#). If you have not done so already, we also recommend that at this time, you [in to or create your Corel Account](#) to register your product(s).
