

Windows 8 Compatibility for Roxio Products

• Corel Other

?

Corel is happy to support many of your favorite Roxio products on Microsoft's latest operating system release, Windows 8.

'The following products are Windows 8 compatible. Please make sure the latest updates are installed:

- Roxio Creator NXT
- Roxio Creator NXT PRO
- Roxio Easy VHS to DVD 3/Plus
- Roxio Game Capture HD PRO
- Roxio Game Capture

The following products are Windows 8 compatible if the purchased date is from January 2013 onwards:

- Roxio Easy CD and DVD Burning
- Roxio Easy LP to MP3
- Roxio RecordNow Music Lab 10 Premier

We may release new versions of these products that are Windows 8 compatible in the near future. However, there will not be any patch released for the current Windows 7 version to make it Windows 8 compatible.

Previous versions of Roxio branded software that is not listed above as "Windows 8 compatible" will run into compatibility issues and are not supported by Corel on Windows 8.

How do I get Windows 8 compatible Roxio software?

Existing customers can upgrade to the latest Windows 8 compatible software at the **Roxio Upgrade Center**. New Customers can get the latest software at the **Roxio eStore** or call our Inside Sales Team at **1-877-582-6735** (Monday - Friday, 9 AM to 7 PM, EST - excluding Corel holidays) if you have any questions.

What happens if I try to install a non-compatible product on Windows 8?

Some products may not install properly and/or have limited functionality - even if the product appears to install properly. Please note that Corel does not provide support for products installed on Windows 8 that are not Windows 8 Compatible. Corel does not support any products installed on a pre-released version of Windows 8.
