

Pinnacle Studio 25: How to capture multiple screens and cameras at once.

- Pinnacle Studio
- MultiCam Capture

How to capture multiple screens and cameras at once using Pinnacle Studio 25?

Pinnacle Studio 25 includes a copy of MultiCam Capture Lite software. MultiCam Capture has a feature to capture screen and video from webcams/cameras.

MultiCam Capture Lite supports two-stream capture (One webcam/camera video along with screen capture). In order to capture video from multiple webcams/cameras you need to upgrade MultiCam Capture Lite to MultiCam Capture full version.

Navigate to: '<https://www.pinnaclesys.com/en/products/multicam-capture/>' to learn more about MultiCam Capture software..
