

Illegal Copy Message

- CorelDRAW Graphics Suite

Symptoms:

Illegal Copy Message is displayed while launching or using a Corel software.

Cause:

1. Serial number is not a Corel generated serial number
2. Serial number has been used to install the software more times than allowed by the End User License Agreement
3. Serial number has been used to install the software on more devices than allowed by the End User License Agreement
4. Serial number has been registered to more than 1 email address

Resolution:

If you have purchased your product from Corel eStore or one of Corel authorized reseller, raise a [support ticket](#) and provide your proof of purchase.
