

Roxio Easy VHS to DVD Plus User Guide

- Roxio Easy VHS to DVD Plus

The Roxio Easy VHS to DVD Plus application is fairly simple and straightforward to use. But if you find yourself stuck and need guidance seeing yourself through a particular feature, we have made this 58-page user guide available on this [link](#) . The guide is in PDF format, so you can download it to your computer to use as an offline reference.

The user guide is divided into 5 sections:

1. Getting started
2. Converting VHS tapes
3. Converting LPs and audio tapes
4. Editing audio
5. Frequently Asked Questions
