How do I reinstall BackOnTrack Online

- Corel Other

To reinstall BackOnTrack Online:

1. Log into your BackOnTrack Online account.
2. Click on the 'My Protected Computers' tab.
3. Click the 'Reinstall' button -- if you have more than one PC on your BackOnTrack Online account, you'll be asked to choose which computer's account you want to reinstall.
4. Follow the instructions to download and reinstall BackOnTrack Online.
