

WordPerfect File save causes "Generate" dialog to show

- WordPerfect Office Suite
- WordPerfect Home & Student

Symptoms

Each time a file is saved in WordPerfect, a dialog titled "Generate" which offers to "Generate Table of Contents, Table of Authorities, Cross-References, and Lists." is shown. Note, the check boxes may or may not be checked.

Cause

The "Auto-Generate" option is enabled in Reference Tools.

Resolution

1. Click Tools > Reference > List to show the Reference tools dialog. Note, depending on configuration, this may be docked to the WordPerfect window, but all options will be present:

2. Uncheck "Auto generate" in the lower left
 3. Click Close
